A highly detailed Persian rug with a red field, a large central medallion, and intricate borders. The rug features a central medallion with a complex floral and geometric design, surrounded by a wide border with repeating floral motifs. The overall color palette is dominated by red, white, and grey, with a dark grey or black background for the field and border.

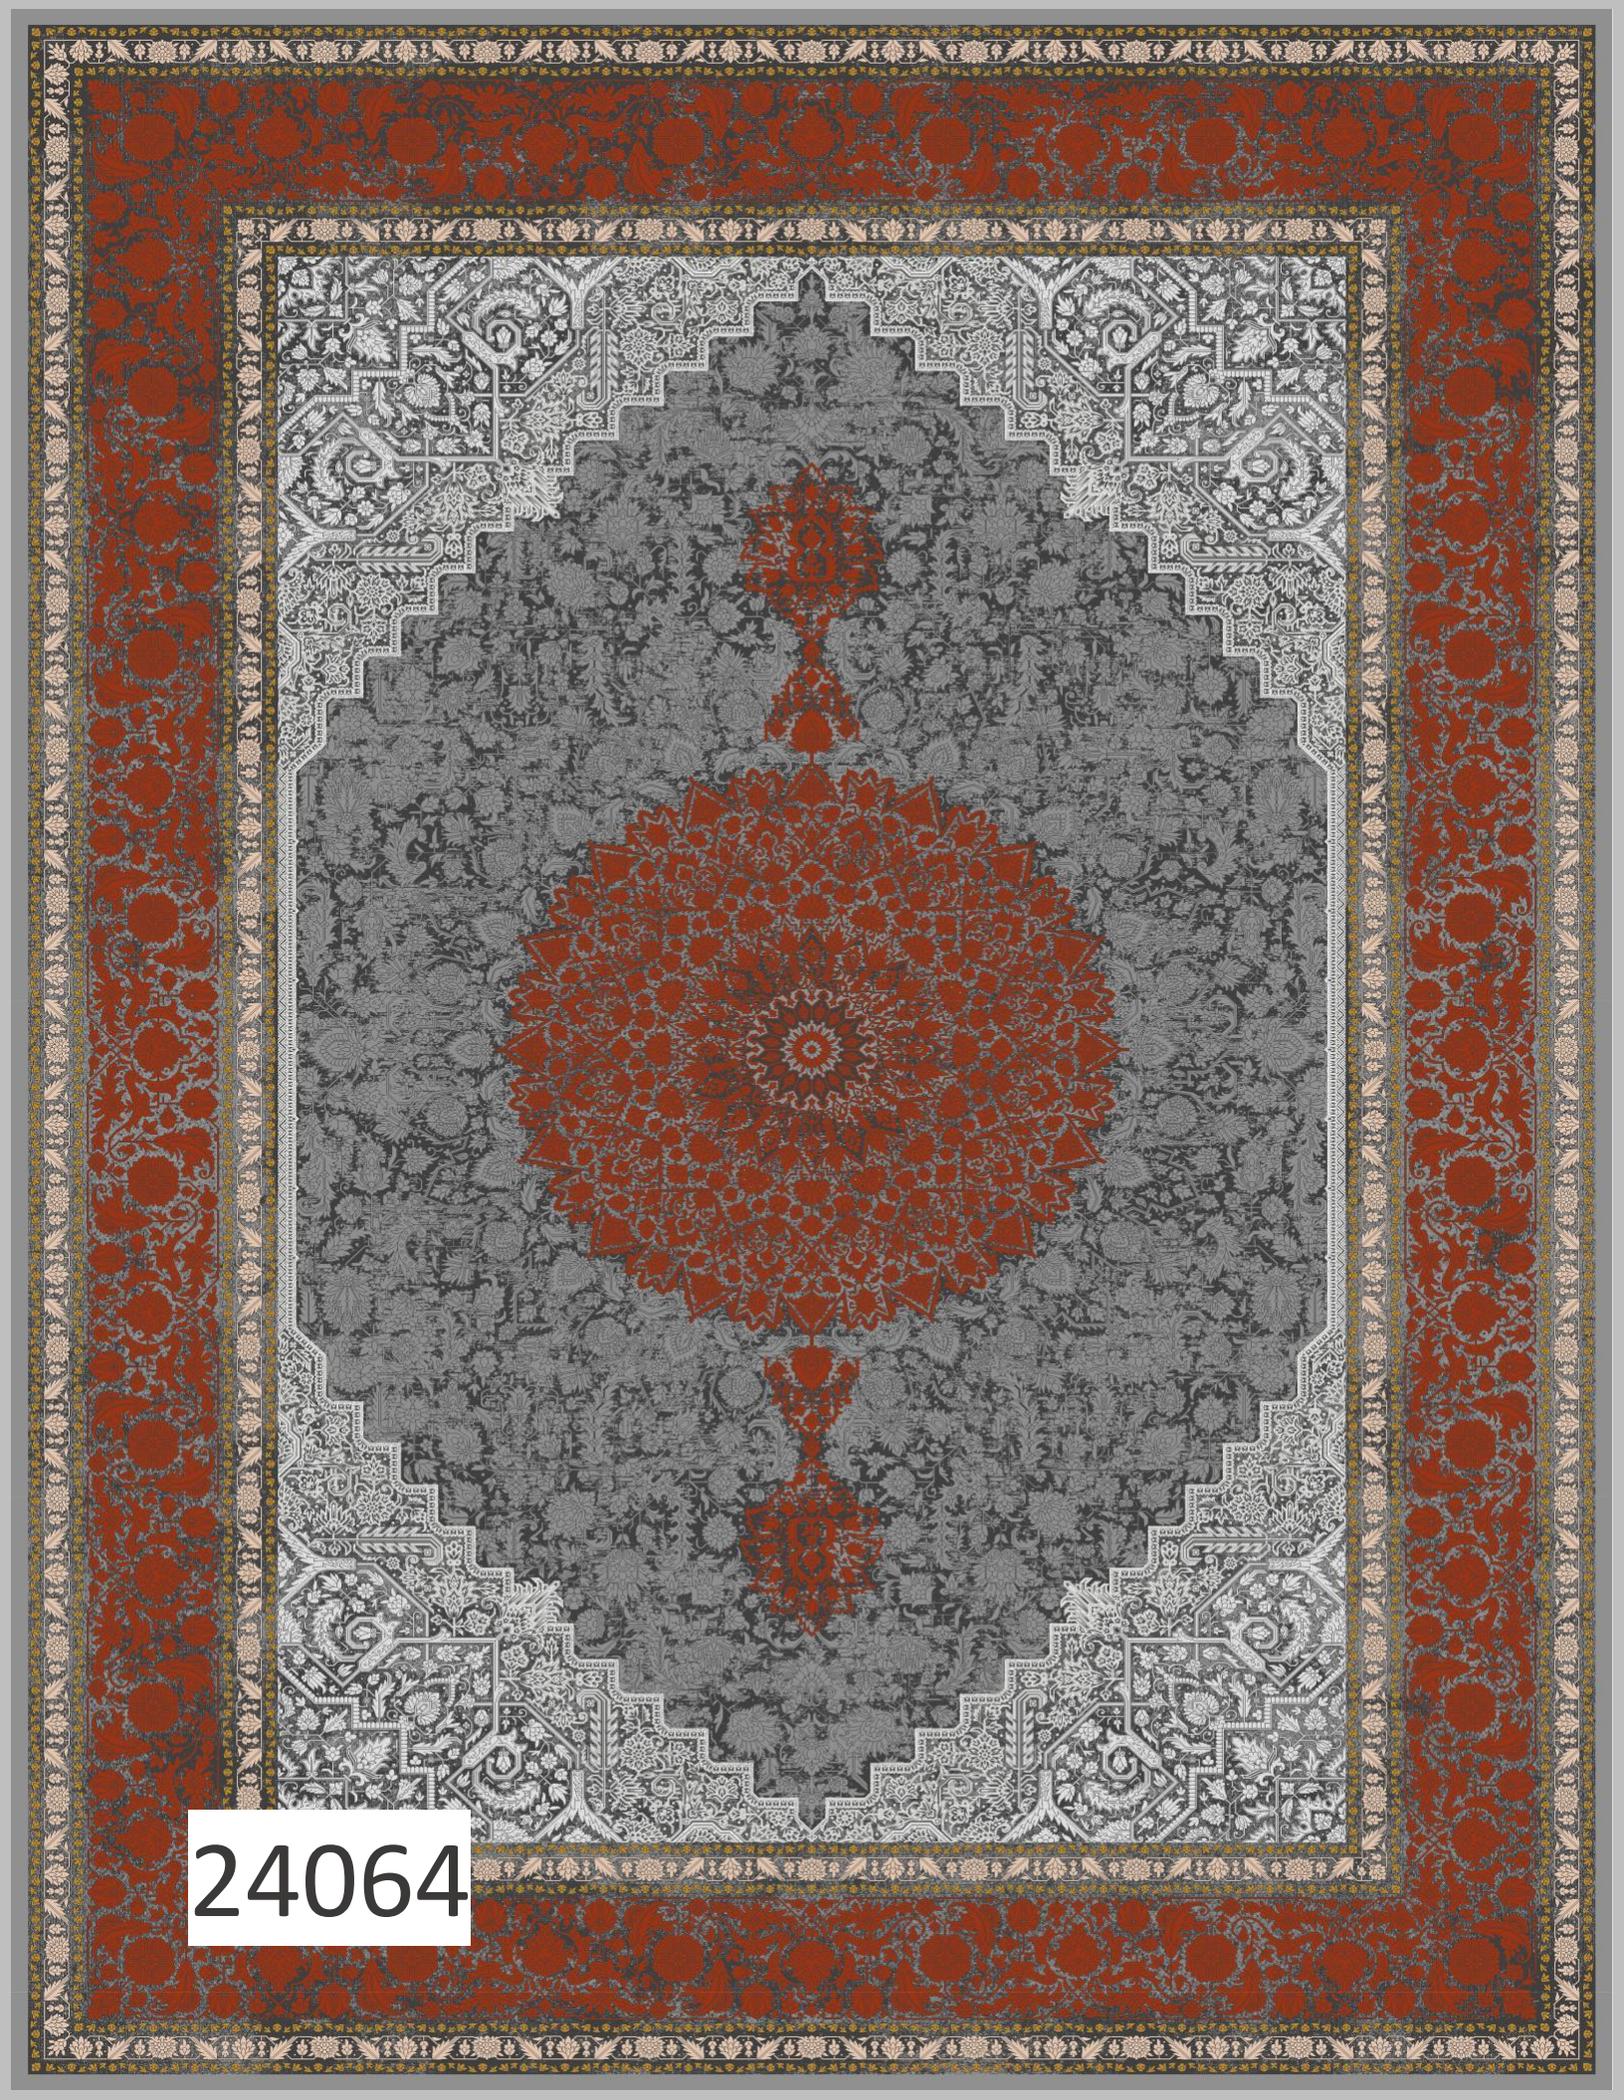

24061

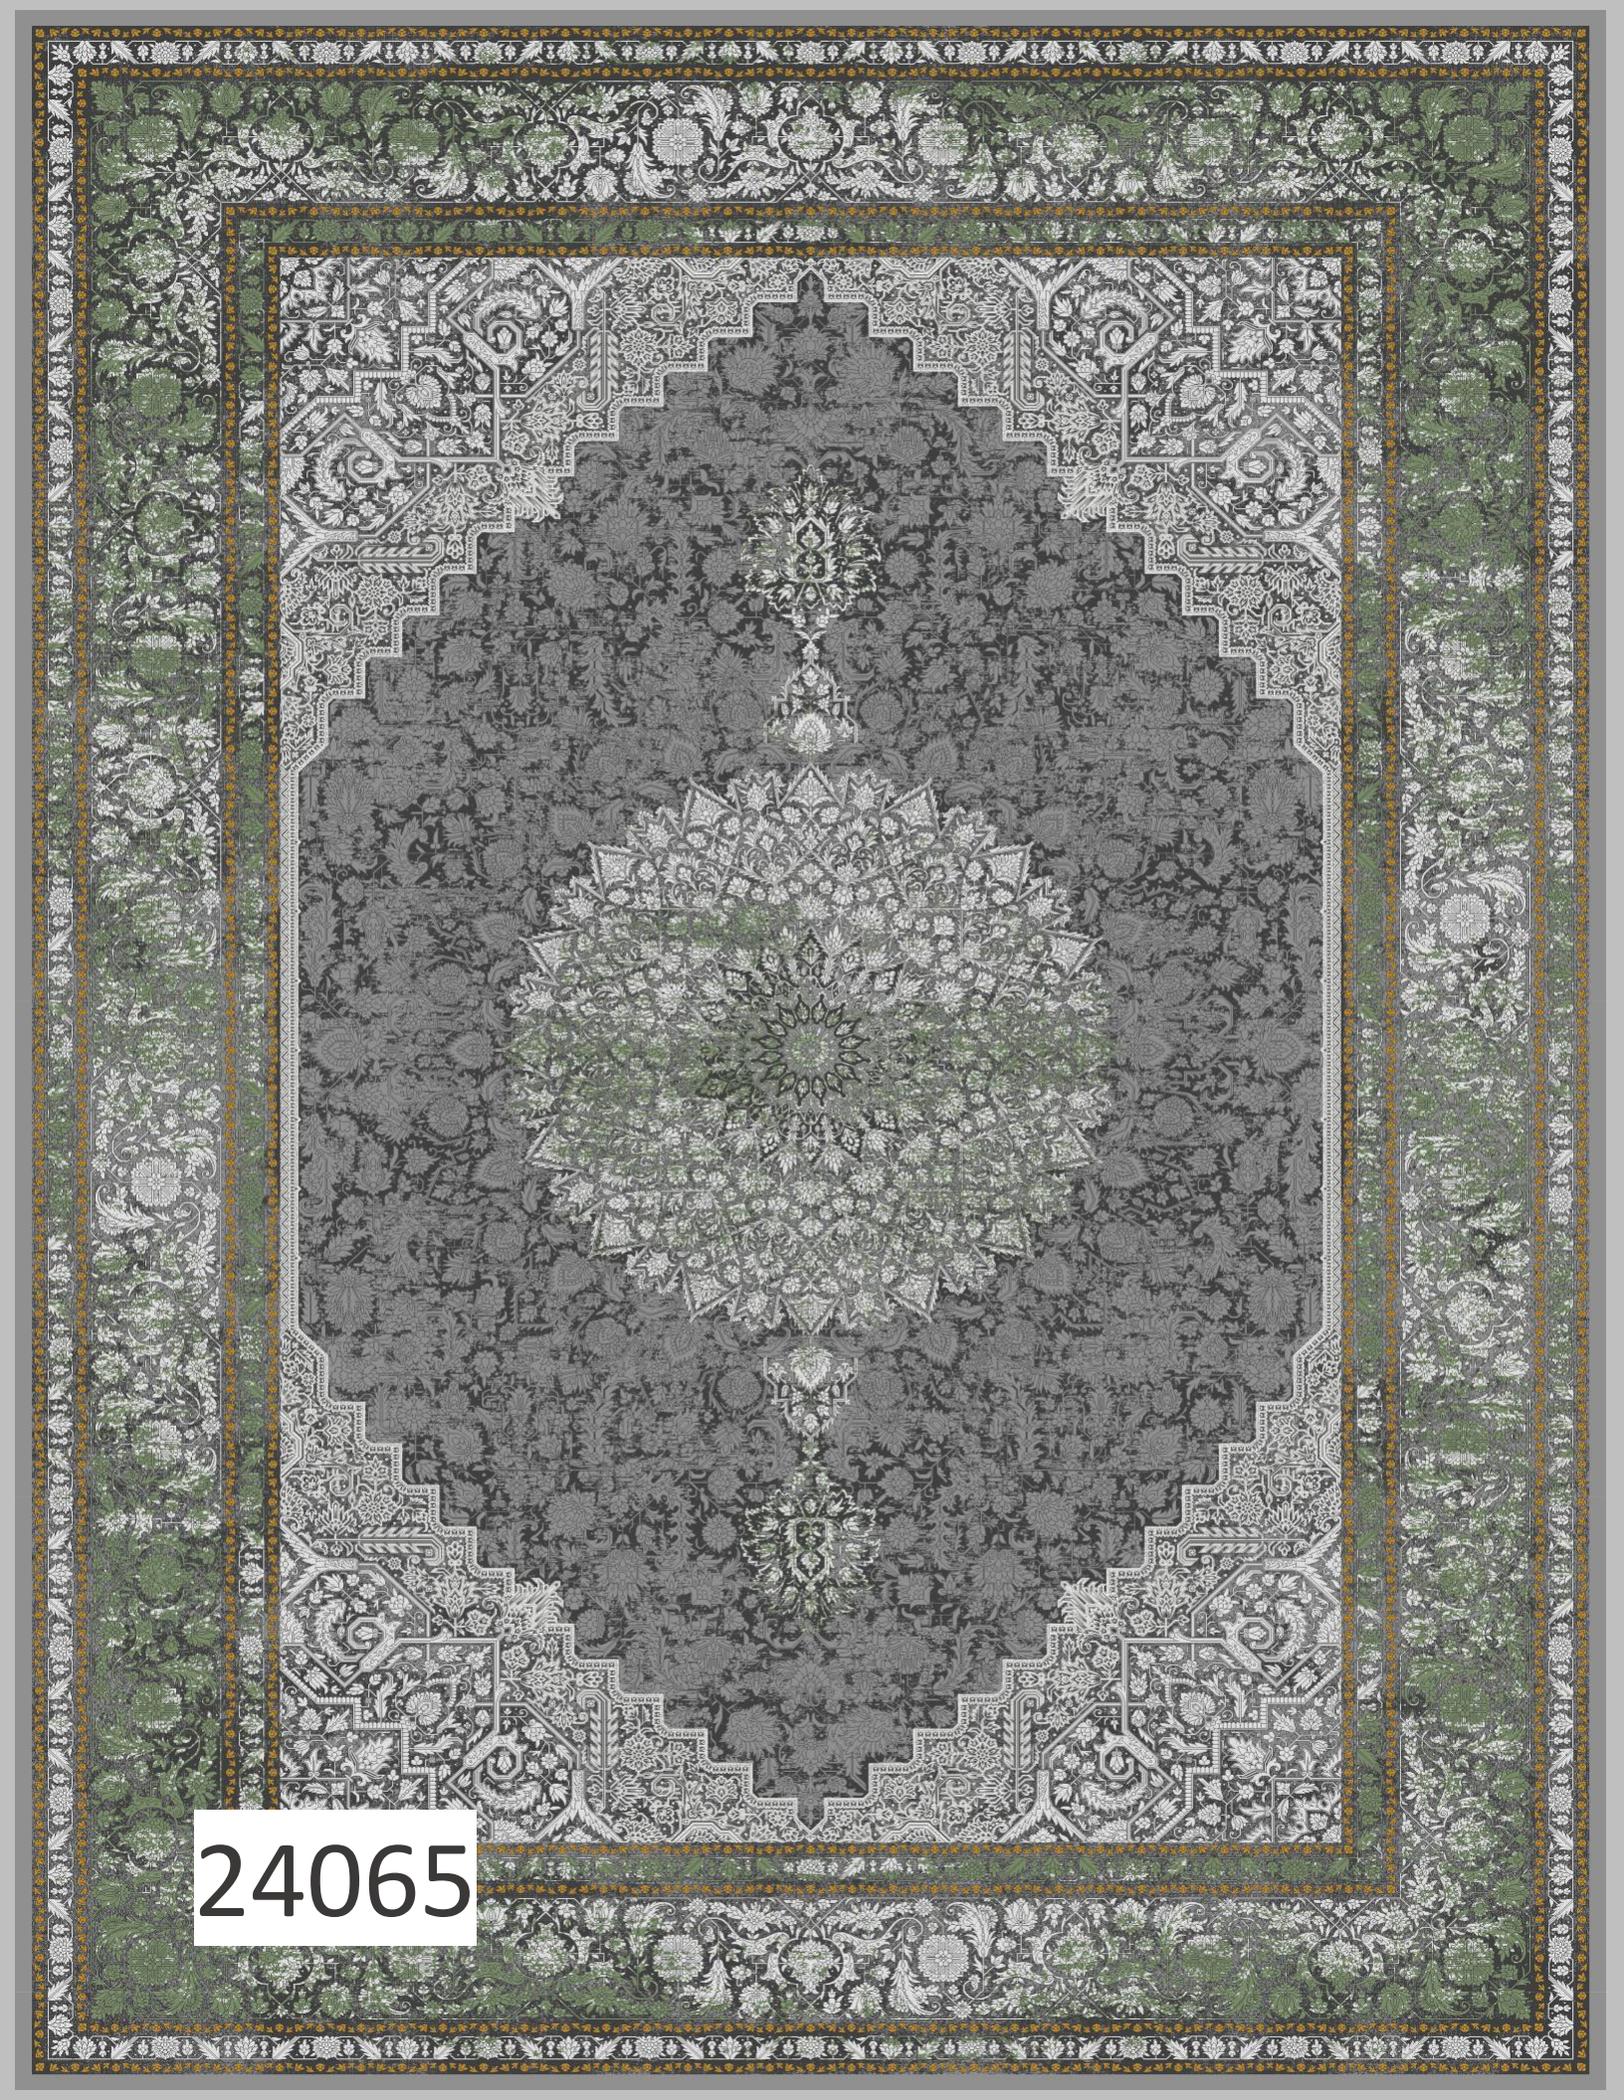

24062

A highly detailed Persian rug with a central medallion, floral patterns, and a wide border. The central field is filled with intricate floral motifs in shades of grey, white, and gold. A large, multi-layered medallion is centered in the field. The rug is framed by a wide, ornate border featuring repeating floral and geometric patterns in red, gold, and blue. The overall design is characteristic of traditional Persian rug-making.

24063

A highly detailed Persian-style rug. The central field features a large, intricate medallion in shades of red and grey, surrounded by a dense floral and geometric pattern. This central area is framed by a wide, ornate border with repeating floral motifs in red and grey. The entire rug is enclosed within a final, narrower border with a repeating geometric and floral design. The overall color palette is dominated by red, grey, and white, with accents of gold and blue.

24065

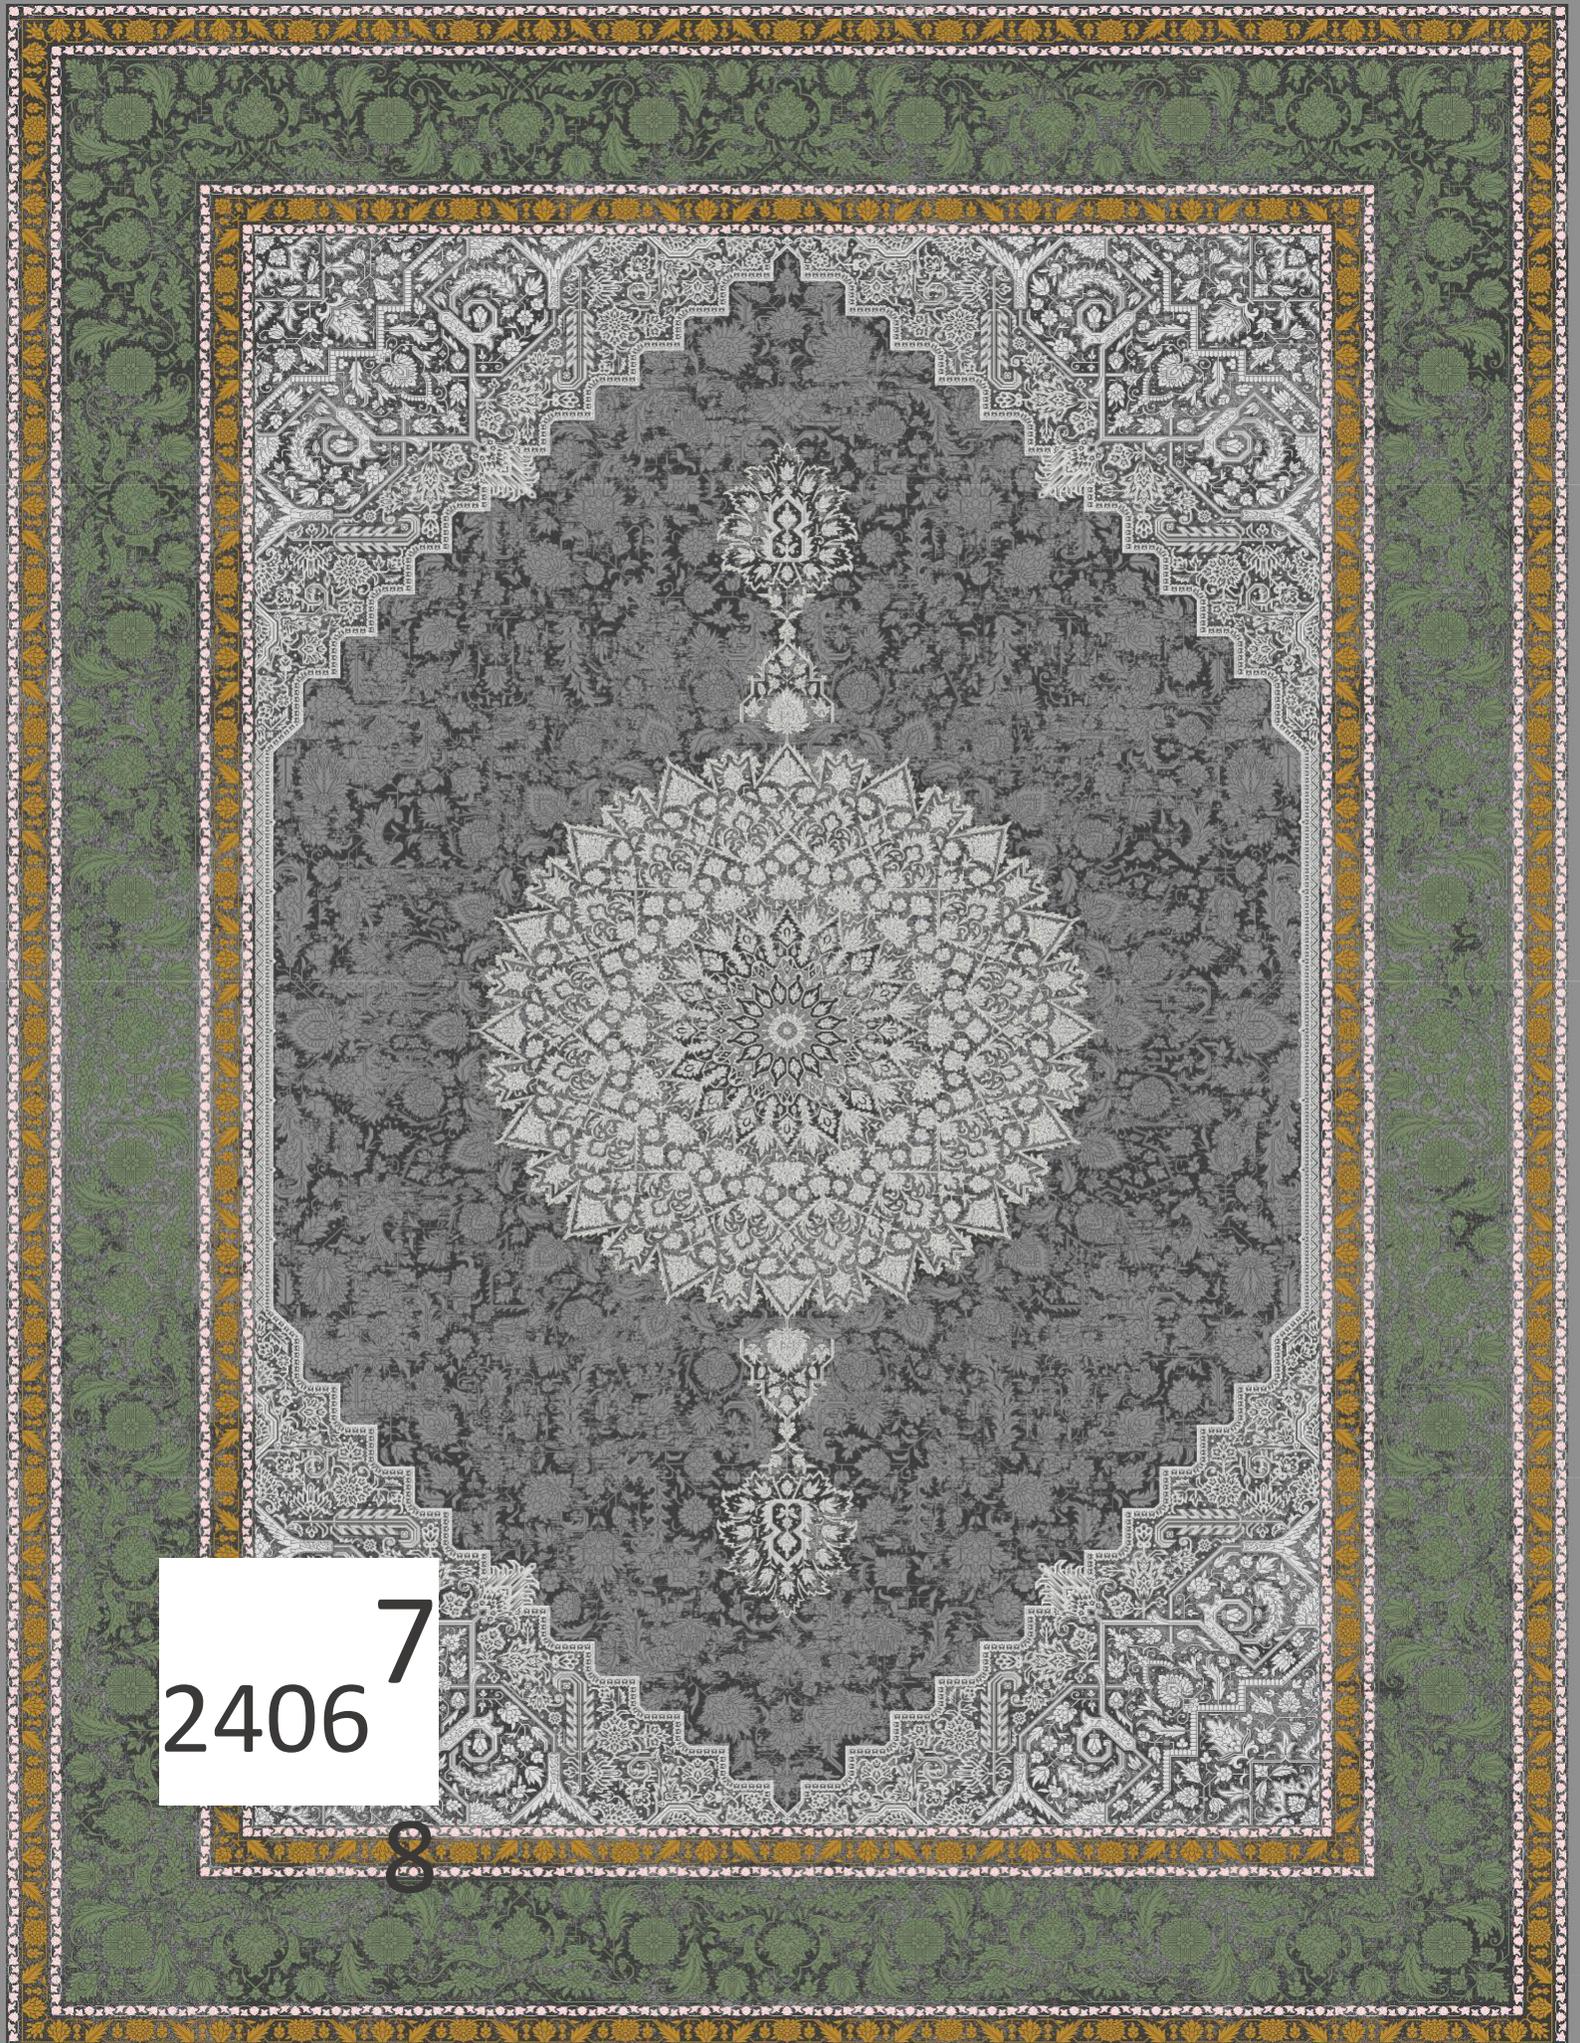

24066

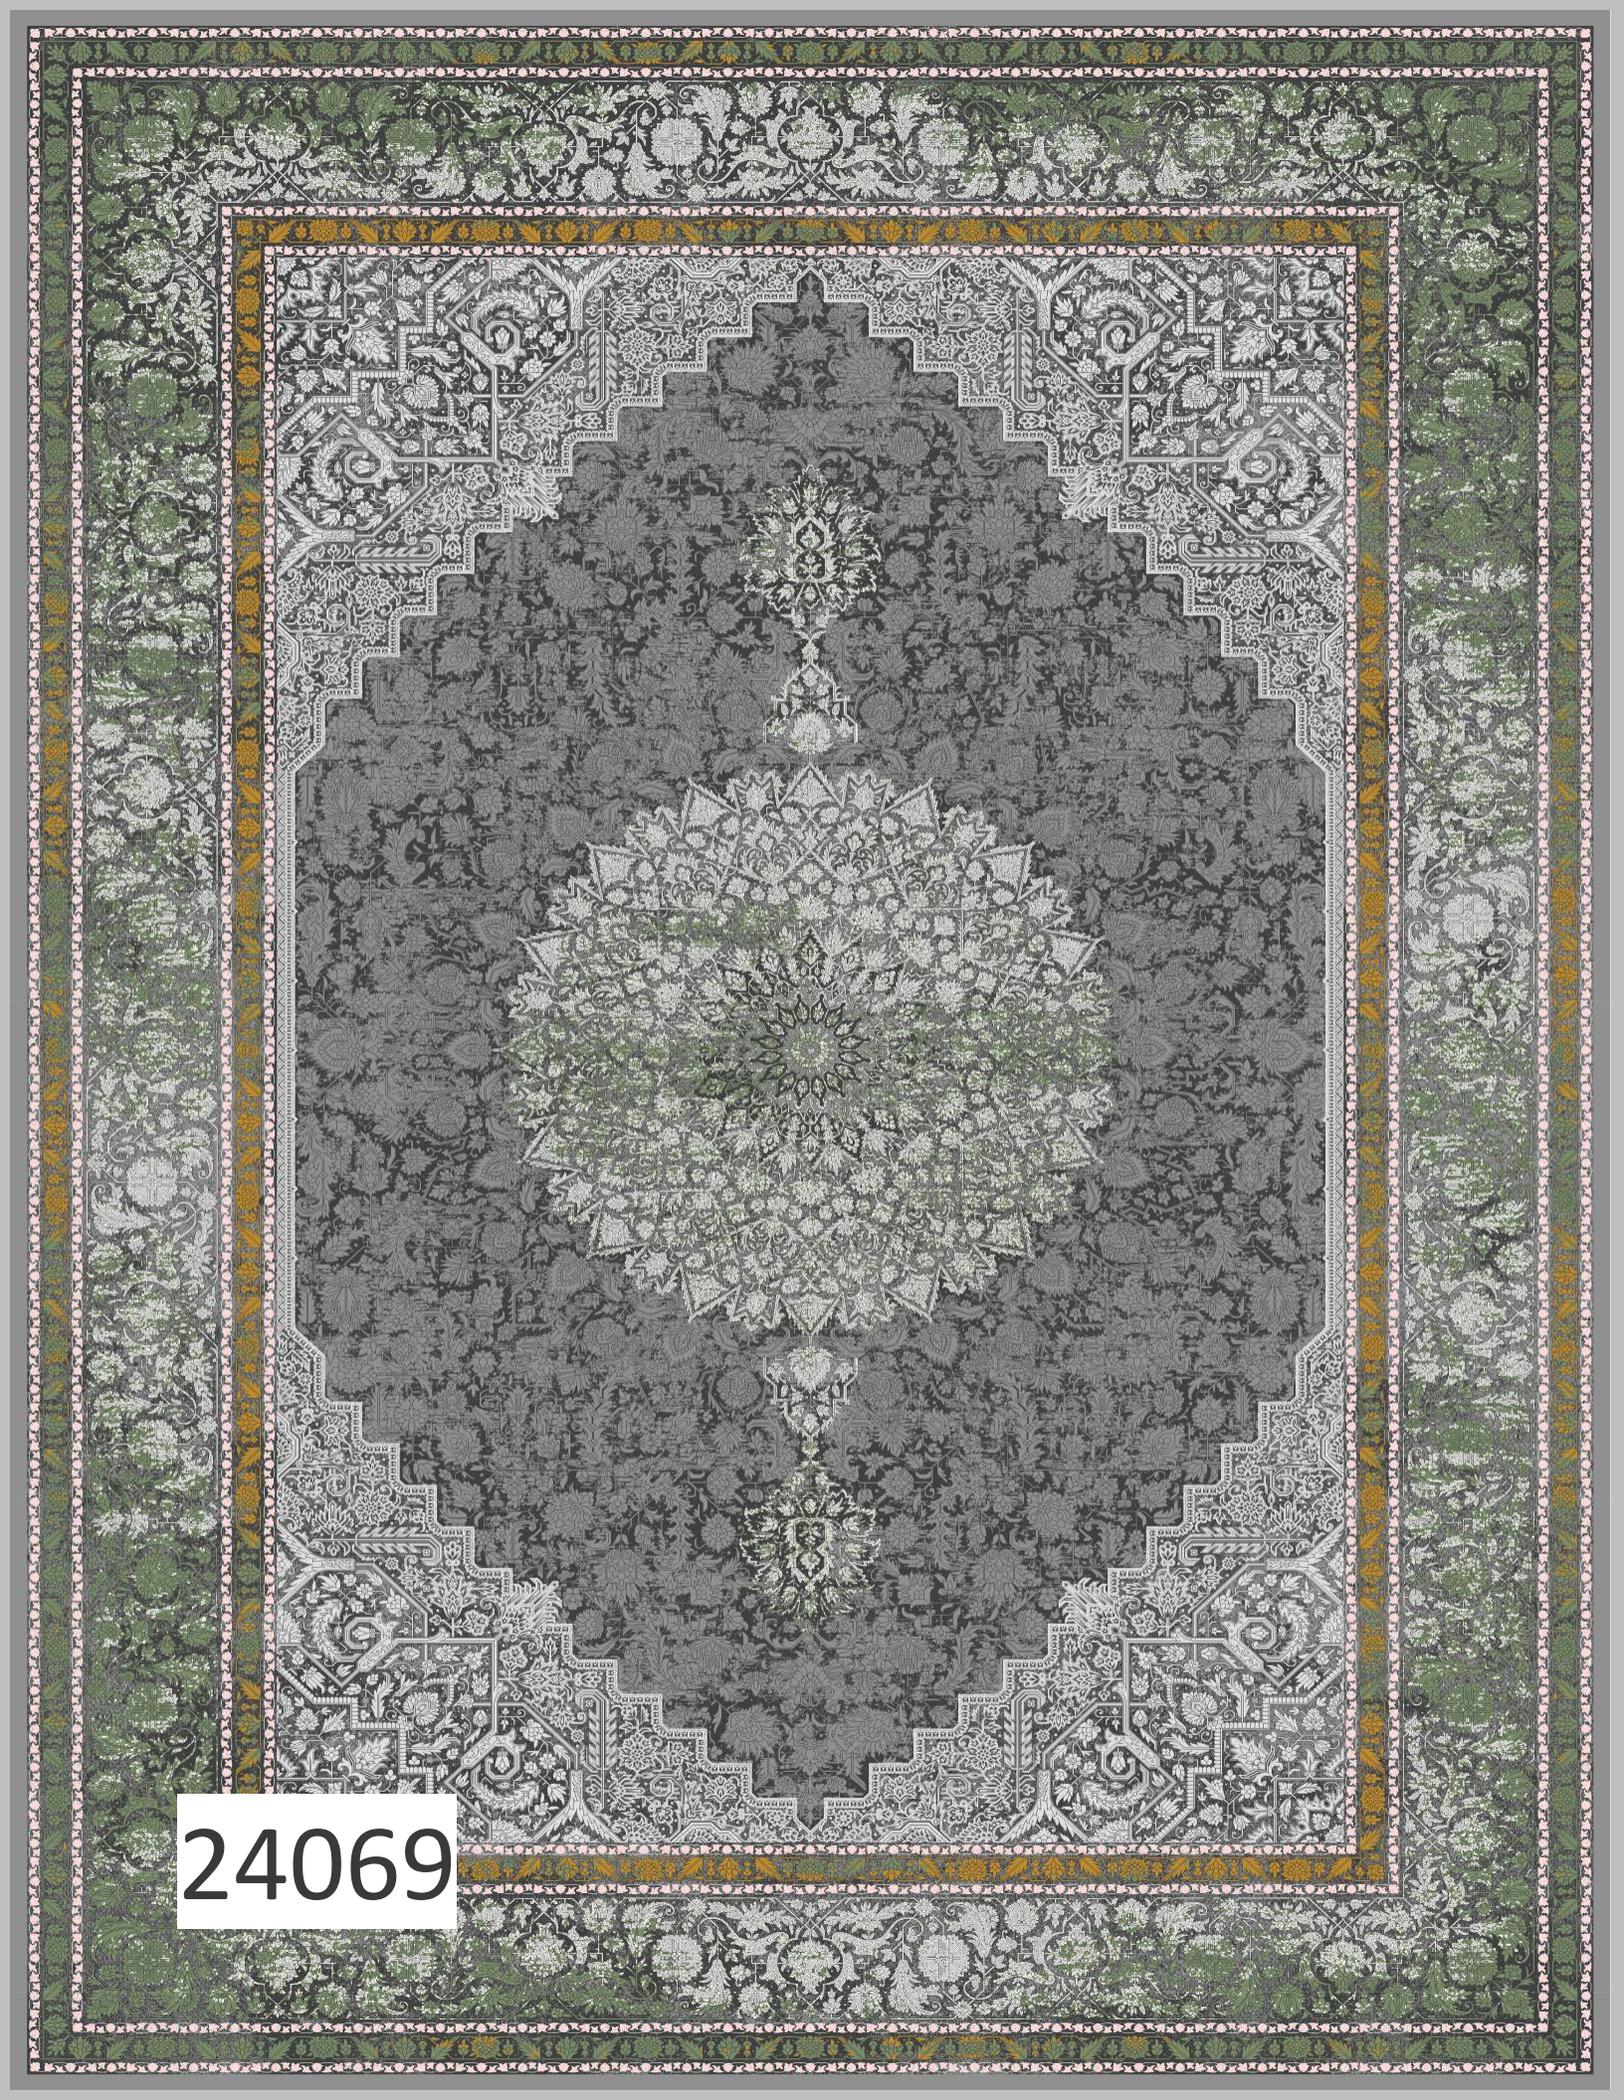

A highly detailed Persian-style rug, likely a Heriz or similar variety. The rug features a central medallion (shamsa) with a complex floral and geometric design in shades of red, blue, and gold. This central motif is surrounded by a wide, intricate field of repeating floral and geometric patterns. The rug is framed by a wide, ornate border consisting of multiple layers of repeating floral and geometric motifs in red, white, and gold. The overall color palette is rich and traditional, with deep reds, blues, and golds set against a light background.
